## DREAMS

Taking sips from man  
like the moon from dewdrops.  
The rope grows straight up  
from the crown of the head.  
The black swan hatches  
out of a pebble  
And a flock of angels in the sky  
is taking an evening  
skid-control course.

I am dreaming, therefore I am dreaming.  
I am dreaming  
that three times three is nine;  
that there is a rule  
of the right hand;  
that when a circus leaves  
the trampled arena  
grows green with grass.

Yes, grass.  
Grass with no double meaning.  
Just grass.
